CONGRATULATIONS TO HALEY
FARRIS

HON. BILLY LONG

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 6, 2017

Mr. LONG. Mr. Speaker, I rise today to congratulate and honor a young student from my district who has achieved national recognition for exemplary volunteer service in her community. Haley Farris of Oldfield has just been named one of the distinguished finalists in Missouri by The 2017 Prudential Spirit of Community Awards program, an annual honor conferred on the most impressive student volunteers in each state and the District of Columbia.

Ms. Farris is being recognized for creating "4Confidence," a program designed to help middle school students learn to love themselves through biweekly meetings covering topics from bullying to eating disorders. Ms. Farris started the group after realizing she

wasn't the only one struggling with low self-esteem, organized pageants to raise money for group activities and increase the confidence of the young contestants she recruited from the community.

It's vital that we encourage and support the kind of selfless contribution this young citizen has made. Young volunteers like Ms. Farris are inspiring examples to all of us, and are among our brightest hopes for a better tomorrow.

The program that brought this young role model to our attention—The Prudential Spirit of Community Awards—was created by Prudential Financial in partnership with the National Association of Secondary School Principals in 1995 to impress upon all youth volunteers that their contributions are critically important and highly valued, and to inspire other young people to follow their example. Over the past 22 years, the program has become the nation's largest youth recognition effort based solely on community service, and has honored more than 115,000 young volunteers at the local, state and national level.

Ms. Farris should be extremely proud to have been singled out from the thousands of dedicated volunteers who participated in this year's program. I wish Ms. Farris luck with all her future endeavors, and urge my colleagues to join me in congratulating her on this momentous achievement.

IN RECOGNITION OF CLARENCE E.
GOODLEIN'S SERVICE TO THE
CITY OF WIXOM

HON. DAVID A. TROTT

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 6, 2017

Mr. TROTT. Mr. Speaker, today, I rise in recognition of the lifetime of dedication and service of Clarence E. Goodlein of Wixom, Michigan.

Serving his community well for 37 years, as Police Chief for five years and Police Chief and Director of Public Safety for ten, Mr. Goodlein dedicated his life to ensuring the City of Wixom continued to be a safe and desirable neighborhood for those of all ages.

Mr. Goodlein built his career on a foundation of protecting others and his unwavering dedication to this principle and his community earned him the appointment of Wixom City Manager in 2015. Here he brought a unique combination of vibrant leadership and years of proven experience to inspire new direction to the city's government.

As a proud graduate of Madonna University, the University of Detroit–Mercy, Oakland University, and the FBI National Academy and Executive Leadership Programs, his wealth of knowledge built a sound future of success for our entire community.

His outstanding leadership has not gone unnoticed. It helped model the Lower Peninsula Law Enforcement Risk Control Advisory Committee, which aids local law enforcement agencies throughout the State of Michigan.

While his retirement from City Manager will leave a great void in City Hall, I have no doubt that Mr. Goodlein will continue to be a vibrant part of our community, continuing to serve each and every one of his neighbors for years to come.

Mr. Speaker, I would like to extend my most sincere gratitude to Mr. Goodlein for his decades of service to our community, the City of Wixom, and the great State of Michigan, and wish him well in his retirement.

HONORING MR. CLIFTON HARTMAN

HON. ELIZABETH H. ESTY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 6, 2017

Ms. ESTY of Connecticut. Mr. Speaker, I rise today with a heavy heart to honor the life of Mr. Clifton "Clif" R. Hartman and his long dedication to our Cheshire community. Clif passed away on May 27, 2017 at the age of 97, but his memory and contributions will live on in Cheshire for years to come.

Clif was born in Bethlehem, Pennsylvania on May 21, 1920. He graduated from high school in Dunellen, New Jersey, and then studied organic chemistry and chemical engineering at Lehigh University, Rutgers University, and Columbia University. Clif met the love of his life, Mary Shuey, and the couple married on June 1, 1942. Just a few weeks later, Clif joined the U.S. Army Air Force to lend his expertise as an ammunition specialist during the Second World War. He served with a bomb disposal unit across the European and northern African theaters of war, and earned a Bronze Star in recognition of his service and dedication to the country. At the end of the war, Clif started his long career with the Calco Chemical Company, and he retired in 1985.

In their retirement, Clif and Mary were active and adventurous, traveling extensively with their family. Clif was an active member of our community and enthusiastically shared his knowledge as a longtime member of the Cheshire Army Air Force Round Table and the First Congregational Church. He was also a master chess player and shared his passion for the game with hundreds of elementary school children in after-school programs.

Mr. Speaker, Clif Hartman was a model member of our community whose dedication and willingness to help others serve as a model for those who knew him, and it is fitting and proper that we honor his legacy here today. My condolences go out to his family, including his children Keith and Dale, and his grandchildren Caitlin, Beth, Megan, Erik, Elise, Rebecca, Ryan, and Jeffrey. Clif had an immeasurable impact on Cheshire, Connecticut and the United States of America, and those who knew him will cherish his memory.

HONORING THE LIFE AND LEGACY
OF ALEXANDRA "SANDY"
BRESLIN

HON. ROSA L. DeLAURO

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 6, 2017

Ms. DeLAURO. Mr. Speaker, it is with the heaviest of hearts that I rise today to join the many family, friends, colleagues, and community leaders who have gathered to pay tribute to one of our community's most ardent and passionate advocates, Alexandra "Sandy" Breslin, who lost her battle with cancer just

days ago. Sandy was an extraordinary woman, whose compassion, dedication, and commitment to public service touched the lives of many and helped to shape the very character of our great state.

Sandy was many things to many people—advocate, activist, mentor, and most importantly, friend. I first met Sandy as a newly elected Member of Congress when she sought me out to talk about the need to preserve and protect the Long Island Sound and the invaluable habitats along its shores. Few have had a larger impact on the preservation and protection of the Long Island Sound than Sandy. She worked with me and others to secure millions of dollars in federal funding to support conservation efforts up and down the Sound's coast and was instrumental in the passage of the Long Island Sound Stewardship Act. She also served as the Connecticut Co-Chair of the Citizens Advisory Committee of the national estuary program for Long Island Sound where she fought for horseshoe crab sanctuaries that protected this ancient creature and helped establish standards for harvesting menhaden that set the stage for the return of whales to the Sound.

Sandy's passionate activism helped to make real many land conservation projects including such local environmental jewels as Kelda, the former Griswold Airport, Long Beach West, The Preserve, and Suffield and Barn Island Wildlife Management Areas; and to expand the Stewart B. McKinney and Silvio O. Conte National Wildlife Refuges. Her outstanding contributions have been recognized with three national awards including a U.S. Department of the Interior Environmental Achievement Award; a Teaming with Wildlife Member Achievement Award for establishing a Connecticut Conservation License Plate; and a Coastal America Award for conservation teamwork at Long Beach West.

In addition to her environmental work, Sandy was also a dedicated advocate for the Town of Bethany, Connecticut. She served as a member of the Inland Wetlands Commission for more than two decades, she worked to renew State funding that resulted in creation of a municipal open space and watershed matching grants program that helped protect Clover Nook Farm, Veteran's Memorial Park and Monument Stables and for more than a decade she served as Bethany's representative on the Regional Policy Board of the South Central Connecticut Regional Water Authority, and on its Land Use Committee.

Sandy was also a dedicated member of Connecticut's Democratic Party. She served as the Democratic Town Chair of Bethany for many years and it was under her leadership that the first Democrat in nearly a century was elected First Selectman. In neighboring Woodbridge, she was a driving force behind the election of the first woman to serve as First Selectman in the town's history. Her contributions to local and state politics earned her the respect and admiration of many across the state.

Sandy was a great friend to me and several members of my staff. There was not a time when we could not call her for advice, information, and council. There was not an environmental event in the state that she did not attend—and she likely had a hand in its organization as well. Even under the most frustrating of circumstances, she was there with a smile, ready to roll up her sleeves and get to

work. Sandy was the best—an embodiment of everything we strive to be as advocates for others. Like so many others, I consider myself fortunate to have called her my friend.

Sandy leaves behind her mother, Ruth, as well as scores of family, friends, and colleagues whose lives were touched by her good work. I am proud to stand today and take this opportunity to pay tribute to her lifetime of public service, to thank her for her invaluable contributions, and to honor her lasting memory. Alexandra "Sandy" Breslin has left an indelible mark on the State of Connecticut, the Town of Bethany, and in the hearts of all of those fortunate enough to have known and worked with her. Though her presence will be deeply missed, hers is a legacy that will continue to inspire generations of activists and advocates to come.

EXPRESSING CONDOLENCES TO
THE VICTIMS OF THE TERRORIST
ATTACK IN LONDON AND
SOLIDARITY WITH THE PEOPLE
OF ENGLAND

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 6, 2017

Ms. JACKSON LEE. Mr. Speaker, I rise today to remember the lives of the innocent victims of the horrific attack that took place in London this past weekend.

Seven lives were cut short and dozens more people were injured by the outrageous and heinous acts of terror that shocked the people of London and the world.

At this terrible time, our hearts and prayers are with the victims and their loved ones.

Our gratitude and appreciation goes to the first responders, the intelligence community and all those who selflessly risked their lives and worked together to prevent the terror from spreading farther.

We stand in unyielding solidarity with the people of England, which like the United States, stands against the dark forces that put our way of life at risk.

England will emerge from this and other recent attacks as a stronger nation that remains committed to the values and principles that have made the city a key player in commerce, human rights and democracy.

London has been a world leader in the march of human progress in the arts, culture, science, democratic theory and governance, and in embracing the challenges and opportunities of the modern world.

Those who think that they can terrorize the people of England or the values that the western world cherishes underestimate a nation that has a long history of prevailing against far more sinister and lethal adversaries.

And they will again, but they will not confront these adversaries alone.

They will be joined by the United States and the other countries of the civilized world.

As London recovers and responds, I hope its people and the loved ones of the victims can find comfort in the knowledge that the people in the United States stand in solidarity with them.

The attacks in England are a reminder of the common threat the free, democratic, and peace loving nations of the world face from

those who violently reject the values and norms of our civilized society.

The attacks highlight the extent to which enemies of our shared values are willing to go to threaten the liberties and freedoms enjoyed by those of us living in free societies.

Those responsible for the attacks should make no mistake; they will be held accountable for their horrific actions against humanity.

And as has been done many times throughout the long and special relationship between the United States and England, we will face and overcome threats to our way of life together.

We will not bow and will never break; we will not falter or fail.

We will respond. We will endure. We will overcome.

The horrible and heinous acts of terrorists are their responsibility and theirs alone, and for which they can be assured that they alone will be held accountable.

But that will come another day; today I ask a moment of silence for the victims killed and injured in the terrorist attacks in London.
